Timely Tidbits . . .

Don't Forget To Vote Monday, June 12

Incumbent Howard Kesner is unopposed in his bid to renew his seat on the Romulus Board of Education. Trustee Kesner is seeking voter approval to serve what would be his third four-year term.

The election is set for Monday, June 12.

Schuetz Sentenced for Embezzlement

Former 34th District Court administrator Nancy Schuetz, who was recently found guilty of one of three charges of embezzlement, has begun serving a prison term of one to 10 years for her crime. The sentence was handed down by Records Court Judge Craig Strong on Wednesday, June 7.

According to Chris DeWitt, press coordinator for the Michigan Attorney General's office, the embezzlement scheme which Schuetz used was responsible for a loss of more than \$250,000 in Court funds over a period of years. To protect against similar thefts in the future, the Court has adopted much more rigorous internal control and accounting procedures as recommended by a Michigan Supreme Court Finance Office audit completed in 1993.

Guess the Elephant's Weight To Win Tickets

Once again, *The Romulus News* will be sponsoring a "guess the weight of the elephant" contest, giving local youths (up to age 16) a chance to win a family pass (limit: two adults and four children) to either the afternoon or early evening performance of the Romulus Chamber of Commerce-sponsored Franzen Brothers Circus on Monday, June 26. Winners will be announced in the June 23 edition of *The Romulus News*.

For details on how to enter, please see the entry form on page two. For more information on the circus itself, including where to purchase advance tickets, please see the ad on page three. □

September Primary May Be Required

By Kristi Stephens

With at least 15 Romulus citizens interested in running for a city council seat, and rumors of as many as four residents planning to vie for the office of mayor, voters may be faced with a September 12 primary to narrow the field of candidates from which they will choose in the City's general election in November. The exact number of candidates for the offices of city council, mayor, clerk, and treasurer will not be known until 4 p.m. on Tuesday, June 20 – the deadline for filing the minimum-100/maximum-200 voter signatures necessary to secure a spot on the ballot.

As of Monday, June 5, only the current incumbents – Linda Choate and James Napiorkowski – had publicly expressed their interest in running for the offices of clerk and treasurer, respectively, by giving their name when drawing petitions for candidacy from the City Clerk's office. And only one resident – former City Councilman Barry Baumann – had openly pulled petitions to challenge Mayor Beverly McAnally for her office.

But because citizens are not required to give their names or stipulate which office they are seeking when they

Mayor Beverly McAnally, who ran unopposed two years ago, may be back on the "Campaign Trail" if she faces opposition this fall.

pull their petitions, and because there is still time to attain the requisite number of signatures before the filing deadline, rampant speculation persists that at least two other citizens – current City Councilman Noah "Pete" Bergeron and former

Mayor William Oakley – may also run for Mayor.

Both Bergeron and Oakley declined to comment when contacted about their intentions.

City's New Solid-waste Collection System Begins June 30; Will Emphasize Recycling

By Kristi Stephens

This spring, the citizens of Romulus took a first step on the road to disposing of their rubbish in a more environmentally conscious way; on Friday, June 30, they'll begin the journey in earnest.

Most residents have already grown used to the separate pick-up of yard waste, which began in April. The new procedure was implemented in order to bring the City of Romulus into compliance with Michigan's Public Act 264, which banned the disposal of yard waste in landfills.

Beginning June 30, Romulus residents will make two further adjustments when they begin:

- separating recyclables from the rest of their trash, and
- placing their rubbish at the curb (by 7 a.m.) for Friday collection.

Although the change to a single collection day Citywide will take some getting

used to, it has the advantages of being more economical, conserving more energy and natural resources, and limiting the amount of time that collection trucks are seen on our streets.

In the future, the people of Romulus will separate their rubbish for collection in one of four categories: recyclables, yard waste, bulky items, and general refuse.

Recyclables

City Environmental Services (CES), the company which will be performing the waste-disposal service for the City of Romulus, will provide each household with a single container to be used for recyclable materials. These containers will be dropped off in front of each home, at the curb where trash is usually placed, sometime before June 30. Residents should use a permanent marker to write their address on their bin in the space provided.

Recyclable materials to be collected must be clean and properly prepared. Acceptable materials are:

- **plastic** – includes milk, water, and juice jugs or other containers marked with appropriate "recyclable" symbols on the bottom (remove and discard lids and rings, rinse well, and flatten; labels may be left on);
- **glass** – includes containers made of clear, green, and brown glass (remove and discard rings and caps, and rinse well; labels may be left on), but *does not include* plate or window glass, china, or Pyrex-brand glass;
- **metal** – includes all metal food and aerosol cans (remove and discard plastic tops and spray nozzles on aerosol cans, remove paper labels, and rinse thoroughly); and
- **newspapers** – includes all newsprint and circulars delivered with the

Wayne/Romulus Optimist Club Involved in the Community

Officer Bill Joiner of the Wayne County Sheriff Department recently spent a day at Cory Elementary School, giving lectures, enacting demonstrations, and conducting question-and-answer sessions on various aspects of the law. His presentation was the culminating activity for the Optimist International "Respect for Law" program. The third-, fourth-, fifth-, and sixth-graders attending the sessions were very enthusiastic about the displays, and enjoyed learning about respect for the law and following rules and regulations.

Another aspect of the program focused on camaraderie and showing the spirit of loyalty among classmates. School loyalty and spirit was also emphasized. From the students' response, Cory students have high regard for their school, teachers, and classmates.

The Optimist Club also co-sponsored Romulus High School's National Honor Society induction program as a highlight of its community service project. President elect (1995-1996) Jennette Nolen gave the charge to the inductees. She encouraged them to uphold the ideals of service, character, scholarship, and leadership.

Several Optimist members were instrumental in distributing programs

and assisting with the reception held after the ceremony.

Optimist Club members present at the recent Cory Appreciation Breakfast were given certificates, and Principal Phyllis Adkins presented Alfaye Woods (Club president) and Mae Jackson with a Partners-in-Education banner for the volunteer services of the Club. One major thrust of the Optimist Club is to promote and support youth in their pursuit of academic excellence.

Reverend Virgil Humes, an Optimist member who has maintained a Mentoring/Modeling Program with the sixth-grade class, will be the graduation speaker at Cory School on Tuesday, June 13, at 6 p.m.

As part of the annual Volunteer Day, the Club sponsored a Funtivity Day on Sunday, June 4, at the Wayne Living Centers. The two groups serviced by the Club were the physically challenged and long-term-care patients. Patients were served refreshments of ice cream and cakes, and members conversed, played games, and assisted patients in partaking of the refreshments. This is the second year that this activity has been implemented at the Center. The Club is hoping that the Funtivity Day can become an annual affair. □

Optimist Club Sponsors Bike Safety Program

By Mae Jackson

Members of the Wayne/Romulus Optimist Club recently sponsored a bicycle safety workshop at Cory Elementary School. Optimist members Donald and Betty Milledge conducted the safety sessions with approximately 100 students from the fourth- and fifth-grade classes.

The focus of the program was that riding can be fun – but one should follow safety rules. If rules are not followed, the risk of major injury, including head injury, is more likely.

Besides participating in the activity on safety, students were given the opportunity to ask questions and discuss their concerns with the speakers. Prizes of safety helmets and "spokey jangles" were also awarded.

Principal Phyllis Adkins says that the Romulus Optimist Club – with its Warm a Child program, Mentoring and Modeling program, and Bicycle Safety program – has brought a breath of fresh air into Cory Elementary. She looks forward to working with the club in the future. □

Merriman "Circle of Friends" Group Tours City Hall

Merriman students visit the Council Chamber as part of their tour of Romulus City Hall.

By Kristi Stephens

On Monday, June 5, students from the Merriman Elementary School "Circle of Friends" after-school drug-prevention program toured Romulus City Hall.

Highlighting the tour for the excited youngsters was a chance to meet Mayor Beverly McAnally, who urged them to be leaders among their friends and fellow students by exerting "positive peer pressure" and setting examples of good behavior. McAnally gave each student who participated in the tour an "I love Romulus" keychain as a memento of his/her visit.

"Circle of Friends" co-director Barbara Blum supervised the students who attended the tour.

"The Merriman 'Circle of Friends' is a pilot program in its first year of development here in Romulus," says Blum — who, along with co-director Megan Barber, has modeled the "Circle of Friends" after a similar program, now in a highly successful third year, in the Taylor school district. "If student response continues as it has, the program will branch out to encompass students in the District's other schools, as well."

Blum notes that the group uses a variety of strategies to accomplish its goal. "The 'Circle of Friends' program does more than just focus on a narrow, 'say no to drugs' message," she explains. "Rather, we try to broaden our approach by using art, music, field trips, and other strategies to give children ideas for wholesome goals and to encourage them to stay focused. We believe that showing students a healthy, interesting, positive alternative to the 'drug trap' is the best way to discourage substance abuse."

Blum gives a great deal of the credit for the program's success to:

- the generosity of the Romulus school district, which donates the use of one of its school buses;
- the continued cooperation of Merriman principal Andrea Williams;
- the help she has received throughout the school year from Romulus High School students Andy Carter, Gynae Little, Monica Moore, Ruben Ortega, Paula Rivera, and Ebony Sandusky; and
- the guidance of her supervisor, Jacque Martin-Downs of the Romulus Help Center/Romulus CCODA (County Commission on Drug Abuse) Prevention/Hegira Program. □

3 Students Attend Boys State

(From left) Scott Smith, Brian Steffani, and Brian Tomchick.

By John Domas, counselor, Romulus High School

Three outstanding Romulus High School students have been selected to attend the 58th annual American Legion Boys' State Program, to be held on the campus of Michigan State University in East Lansing from June 18 to June 24, 1995.

Attending will be 1,000 boys representing the best in Michigan youth.

To cover the cost of their trip, each of this year's attendees from Romulus High School will receive a scholarship valued at \$195. They are: Scott Allen Smith, son of Conley and Paula Smith (sponsored by the Rotary Club of Romulus); Brian Joseph Steffani, son of Sean and Sandy Steffani (sponsored by the Progressive Club of Romulus); and Brian R. Tomchick, son of Mark and Linda Tomchick (sponsored by the Kiwanis Club of Romulus).

All three are completing the eleventh grade at Romulus High School. Thus, they will be returning as seniors to share their Boys' State experience with their classmates next year.

The Boys' State Program duplicates the very process by which the government in Michigan and in Washington, D.C., operates. Each young man attending will learn from first-hand experience how to work within a political party, ask questions, and work for the common good. Aside from this practical learning experience, each boy will learn the priceless lesson of team participation while maintaining his own individuality.

The long-term experience, together with the friendships developed, are not soon forgotten, but stay with the boys for the rest of their lives.

The ultimate learning experience derived from this program stems from the fact that each boy acquires a thorough and working knowledge of how our American system of government can affect change, implement ideas into

law, and benefit society as a whole. There is no need for any of America's youth to feel alienated from our society, as there is a workable political process to involve them in the continuing success of America.

Whether the boys attending become directly involved in the actual political process in later life or not, each one of them will join the American scene knowing that anything for the common good is achievable in our system. More importantly, perhaps, each will know how to achieve that common good through a peaceful and orderly process.

I would like to thank the following people for their help, support, and assistance in making it possible to send so many well-qualified and deserving students to Boys' State: Mae Jackson and William Knight (Romulus High School counselors); Gerald Nault (member, Romulus Progressive Club and Romulus Kiwanis Club); Michael Prybyla (member, Romulus Rotary Club); Tom Dolan, Melvin Kimbrough, and Mike Teasdale (principals); Mike Kernohan, Ann Scott, Dennis Stoh, and Sue Vogel-Anderson (teachers); Kathy Abdo (class advisor); and Judy Nutt (Guidance Office secretary). □

3 Students Attend Girls' State

(From left) Colleen Coleman, Angela Terry, and Kim Bolus.

By John Domas, counselor, Romulus High School

Three outstanding Romulus High School students have been selected to attend the 55th annual American Legion Girls' State Program, to be held on the campus of Central Michigan University in Mt. Pleasant from June 17 to June 25, 1995.

Attending will be 546 girls representing the very best in Michigan youth.

To cover the cost of their trip, each of this year's attendees from Romulus High School will receive a scholarship valued at \$225. They are: Kim Bolus, daughter of Thomas and Phyllis Bolus (sponsored by the Rotary Club of Romulus); Colleen L. Coleman, daughter of Jack and Pat Coleman (sponsored by the Kiwanis Club of Romulus); and Angela Marie Terry, daughter of Dave and Diane Terry (sponsored by the Progressive Club of Romulus).

All three are completing the eleventh grade at Romulus High School. Thus, they will be returning as seniors to share their Girls' State experience with their classmates next year.

The 1995 Girls' State Program is a practical experience in problems of self-government as operated within the State of Michigan. The purpose of the program is to emphasize the importance of government in modern life; to stimulate a deep and lasting interest in government; and to enlarge the students' understanding of the governmental process.

The basic method of Girls' State, by which these goals may be achieved, is that of actual participation in the political and governmental process. Care has been taken to design the Girls' State Program so that every student may participate in the electoral process; have an opportunity to hold public office; and be encouraged to share in the formulation of public policy. Since no one person can serve in all offices of government, it is expected that a great deal will be learned by observation of the activi-

ties of others. It is hoped that the citizens will leave Girls' State with a mature appreciation of some basic strengths and weaknesses of the American system of government. It is hoped, further, that they will leave with a firm resolution to make government a more effective, responsible servant of the people.

To be eligible, a candidate must be a citizen of the United States; be able to attend a full nine-day session; be completing her junior year of high school; and be a Michigan resident attending a Michigan high school. Selection is based on each girl's interest, character, and potential, as well as teacher recommendations and academic record.

Upon their arrival at Girls' State, each girl is assigned to a mythical political party, a county, and a city. There are seven counties composed of three cities each. The citizens nominate and elect various city, county, and state officials. They are instructed concerning the duties and limitations of the various public offices. The Press Association and lobbyist and special-interest groups are also popular activities.

Two girls will be selected from Michigan's program to travel to Washington, D.C., in order to attend Girls' National, a citizenship program in the processes of the Federal government.

I would like to thank the following people for their help, support, and assistance in making it possible to send so many well-qualified and deserving students to Girls' State: Mae Jackson and William Knight (Romulus High School counselors); Gerald Nault (member, Romulus Progressive Club and Romulus Kiwanis Club); Michael Prybyla (member, Romulus Rotary Club); Kathy Hurst (Co-ordinating Council); Tom Dolan, Melvin Kimbrough, and Mike Teasdale (principals); Mike Kernohan, Ann Scott, Dennis Stoh, and Sue Vogel-Anderson (teachers); Kathy Abdo (class advisor); and Judy Nutt (Guidance Office secretary). □

City Recreation Department Plans Summer Programs for All Ages

By Brian Hitsky, director, Romulus Recreation Department

Free Soccer Clinic

The Recreation Department has arranged for Romulus professional soccer player John Thiede to conduct a free, one-day soccer seminar, demonstration, and skill activity for ages five through 15. Passing and moving the ball, shooting, and dribbling will be exhibited.

The clinic will be held at Elmer Johnson Park on Saturday, June 17, between 9 a.m. and 1 p.m. The first 50 youngsters to register at the Recreation building will receive a free soccer T-shirt.

July 4th Festivities

Community Pride Day will take place in Romulus on Tuesday, July 4, 1995, when our nation marks its 219th birthday. A solemn community prayer breakfast will begin the day's events at Elmer Johnson Park; adult softball tournaments (see details below) and children's games and activities will continue throughout the rest of the afternoon. At dusk, a spectacular fireworks display will end the festivities.

Men's Softball Tournament

A Men's Softball Tournament and Home Run Derby, scheduled as part of the July 4 festivities at Elmer Johnson Park, will begin at 10 a.m. and continue until about 5 p.m.

The Tournament is limited to eight teams; registration will continue through June 28 or until the maximum number of teams has been reached. A \$100 team registration fee will reserve your spot. Winners will earn T-shirts and sponsor trophies; second-place finishers will receive T-shirts.

Cost to enter the Home Run Derby, which begins at 2 p.m., is \$1.

All participants must be 18 years of age by July 4, 1995.

Women's Softball Tournament

The Romulus Recreation Department will present its first annual Women's Softball Tournament, open to all area women's teams, on Saturday, July 1, at Elmer Johnson Park. The double-elimination format of play will begin at 9 a.m. and continue until about 4 p.m.

The Tournament is limited to eight teams; registration will continue through June 26 or until the maximum number of teams has been reached. A \$100 team registration fee will reserve your spot. Winners will earn T-shirts and sponsor trophies; second-place finishers will receive T-shirts.

All participants must be 18 years of age by July 4, 1995.

Summer Recreation*

The city's popular Summer Recreation Program for Romulus children ages five to 14 begins July 10 and continues through August 25 (Monday through Thursday, 10 a.m. to 3 p.m.). Fridays are reserved for field trips to places like the Detroit Zoo and a miniature golf course.

Program sites are the Civic Center and Fernandez Park, as well as Halecreek, Merriman, Mt. Pleasant, and Wick schools. Parents must arrange for transportation.

The cost of this seven-week, activity-centered program is only \$25 for one child; \$20 for each additional child in the family. Fee does not cover cost of Friday trips.

Youth Softball*

Boys and girls ages seven through 14 who wish to play softball in an organized league should register at the Romulus Recreation Department by June 30. Two divisions of play (ages seven to 10 and ages 11 to 14) will be created.

The cost for each player is \$20, with a \$10 discount offered for each additional family member. Fee includes a team shirt and hat.

Walk Michigan

The Walk Michigan program encourages all citizens to exercise by walking. The Romulus Recreation Department will give away an all-expense-paid trip to Mackinac Island to the winner of a drawing that's open to all adults who register and qualify by participating, during the course of the program, in four formal or informal walks of at least one mile. For information on walk requirements, call the Recreation office: 942-6852.

Gymnastics

Youngsters age three and older will flip over the Romulus Recreation Department's special summer gymnastics program. Instructors (featuring the Tumblebunnies) will teach creative rhythms, flexibility, and coordination skills.

This special six-week program will be held at the Recreation building on Monday nights from July 17 through August 21. Children ages three and four will attend from 6 to 6:35 p.m.; ages five through seven will attend from 6:45 to 7:30 p.m.; and ages eight and older will attend from 7:30 to 8:15 p.m.

The cost of this class is just \$25 per child. Class sizes are limited, so sign up as soon as possible.

*For programs that require a fee, the Recreation Department will make partial scholarships available to needy students. □

Romulus Hometown Celebration Promotes 25th Anniversary, Unity

By Brian Hitsky, director, Romulus Recreation Department

A celebration of our city's twenty-fifth anniversary, along with a demonstration of community togetherness, will feature a flurry of activities, events, and attractions slated to begin Thursday, June 22, and continue through Tuesday, July 4, here in Romulus.

The Romulus Hometown Celebration Committee has organized a wide range of fun, family oriented functions during this exciting two-week period. A "something for everyone" theme has been planned to suit all types of tastes

and interests. A prayer breakfast, birthday celebration, parade, golf outing, concert, historic car show, gigantic fireworks display, and numerous other festivities have been arranged. All activities are free.

It is the sincere goal of the Romulus Hometown Celebration Committee to promote community pride and celebrate our silver anniversary as a city through the various promotions.

Come join in and celebrate all that is wonderful about our city of Romulus. You'll meet plenty of good people and have a delightful time.

PRIMARY MAY BE NECESSARY

continued from page 1

Of the seven incumbent councilmen, only Bergeron has not drawn petitions to retain his seat; of the other six (Mayor Pro Tem Mary Ann Banks and Councilmen Randolph Gear, Ellis Pennington, Michael Prybyla, Jimmie C. Raspberry, and William Wadsworth), only Prybyla and Wadsworth have already filed their petitions with the Clerk's office.

The other nine citizens who have given their name when drawing peti-

tions to run for City Council are Steven Bossidis, Mary Collins, William Crova, Brooker Edwards, Tony Heimberger, Stanley Kreft, Debbie Romak, Gwen Sibert, and Jeannine Wafer-Frison. Of these nine, two (Crova and Romak) have already filed their petitions.

Also among those rumored to be pursuing a Council seat are former City Councilman "Junior" Block, Kristine De-Troyer, Mark Lewkowicz, and Dolores Witzgall; all have denied having any intention of seeking office at this time. □

RECYCLING BEGINS JUNE 30

continued from page 1

newspaper (if newspapers do not fit in bin, place in a brown paper grocery bag or bundle with string and place at curbside with other recyclables), but *does not include* magazines, phone books, cardboard, or junk mail.

Questions about recycling may be directed to the City Environmental Services customer service center at 292-0800.

Yard Waste

Yard waste – which includes grass clippings, weeds, brush (branches less than two inches in diameter, tied in bundles not more than four feet in length and 50 pounds in weight), and leaves – must be separated from other types of rubbish, and disposed of in paper bags specially designed for yard waste (available at the Romulus IGA, Romulus Hardware, Stears True Value Hardware, and Windiate Hardware) or in reuseable plastic or metal containers that are clearly labeled "yard waste." Yard waste cannot be disposed of in plastic bags.

Residents should note that the bins which CES will be dropping off in front of each home will contain a "yard waste" sticker for the convenience of those who wish to use a reusable container for yard waste; however, that sticker is *not* to be placed on the recycling bin provided, and the recycling bin is *not* to be used for yard wastes!

Bulky Items

Bulky items such as carpet, furniture, and appliances may be deposited at the curb for Friday pick-up. Residents are responsible for seeing that freon is properly removed from refrigerators and air conditioners prior to disposal.

General Refuse

General refuse which does not fall into one of the above three categories should be disposed of in plastic bags or in reuseable plastic or metal containers.

(Editor's note: The City of Romulus will be mailing residents a pamphlet containing detailed information about the new refuse collection program. Watch for it!) □

Sassy Seniors

By Mary E. Clark

Special thanks to Marilyn Hoffer, Senior Citizens Coordinator for the City of Romulus, and to Barbara Schultz, Romulus Senior Center staff member, for contributing information to this issue's "Sassy Seniors" column. (For further information on events at the Romulus Senior Center, located at 36515 Bibbins, please call 942-6852.)

Pitoniak Hosts "Breakfast Forum"

"I strongly encourage all seniors to attend this forum and bring their questions, concerns, and ideas," says State Representative Gregory Pitoniak, who has invited local senior citizens to meet with him at his fourth annual "Breakfast Forum" program, to be held at Romulus Senior Center on Monday, June 12. "Legislators strongly rely on public input to be effective public servants. Our last three forums were very successful in terms of receiving valuable feedback."

The program will begin with a complimentary continental breakfast at 8:30 a.m.; a forum and discussion of issues of interest to senior citizens will follow at 9 a.m. Pitoniak says that some of the subjects scheduled to be discussed include 1995 tax-cut issues, auto-insurance reform, and senior-citizen housing issues.

For more information, please call the Romulus Senior Center or Representative Pitoniak (517-373-0852).

Shopping Trips

For a transportation fee of \$1.50, Romulus seniors can ride the Center's van to Plymouth on Friday, June 16, to visit antique shops in the city's "old town" area, as well as many boutiques and other specialty stores located downtown. A trip to Kmart in Taylor is planned for Wednesday, June 28. Sign up at the Center.

Potluck

If weather permits, the Center's spectacular chefs will be grilling hamburgers for a picnic-style potluck lunch, to be held at Senior Citizens Park on Wednesday, June 21, beginning at noon. As always, seniors are invited to bring a dish and bring a friend.

Sidewalk Sale

For just \$1, local seniors can set up a table at the Center's "sidewalk sale," slated for Friday, June 23. Preregistration is required.

Toledo Zoo

Take a walk on the wild side on Friday, June 30, when the Senior Center van travels to the Toledo Zoo. Cost of transportation is \$5; admission (at a special "seniors" rate) is \$4.

Special Trips

Seniors interested in more information about these or other trips planned by the Romulus Senior Center may contact Marilyn Hoffer at 942-6852.

- **Queen of Saugatuck** – Lunch at a beautiful restaurant located right on the Kalamazoo River, shopping in downtown Saugatuck (an artisan community similar to Provincetown in Cape Code, Massachusetts), and a one-and-a-quarter-hour boat ride (down the Kalamazoo River and into Lake Michigan) on the 82-passenger sternwheeler, the *Queen of Saugatuck*, are the highlights of this day-trip, scheduled for Friday, July 14. The cost of \$45 must be paid by Wednesday, June 14.
- **Mackinac Island's Grand Hotel** – Spend three days/two nights at the beautiful, historic Grand Hotel on Mackinac Island! The \$305 cost of the trip (based on double occupancy), which departs October 24, covers round-trip motorcoach transportation; a round-trip ticket for the ferry; a carriage tour ride; a visit to Fort Mackinac State Park with a special guide and program; golf, croquet, and bocce ball tournaments; and special events like dancing, movies, a banquet, early-bird walks, bingo, card socials, historic slide presentations, a sing-a-long, and much more! Sign up soon; final payment is due by Saturday, July 15.

Free Blood-pressure Screening

Romulus seniors can have their blood pressure checked by Community Emergency Medical Service (CEMS), free of charge, at the Romulus Senior Center on the first Monday (second Monday if the first falls on a holiday) of every month from 1 to 2 p.m. No appointment is necessary.

Hot Lunch

For only \$1.50, Romulus senior citizens (age 60 and over) can enjoy a hot lunch at the Romulus Senior Center every weekday at 11:30 a.m. Call Pat (942-6852) at least 24 hours in advance to make your reservation.

Focus: HOPE for Seniors

Single seniors (age 60 and over) with income of not more than \$797 per month, or couples with income of not more than \$1,066 per month, can apply for Focus: HOPE food boxes at the Family & Neighborhood Services—West Office (19101 Inkster Road, Romulus). For more information, please call Pam at Family & Neighborhood Services: 782-9800. □

Wedding Bells

Shawn Renault Martin/Joyce Ann Baker

Shawn Renault Martin and Joyce Ann Baker were married on Saturday, March 25, 1995, at St. Paul's Lutheran Church in Ann Arbor. Pastor Parke G. Frederick presided.

Parents of the bride are Mary Kidd Baker and Gilbert Lewis Baker of Romulus. Gordon Richard Martin and Shirley Dorsey-Martin of Ann Arbor are the parents of the groom.

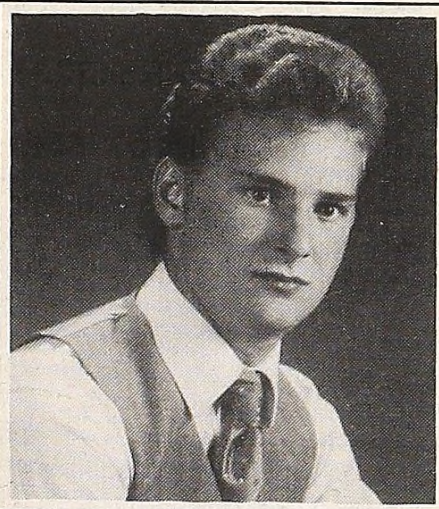

Honor attendants were the bride's friend, Brenda Joyce Simmons of Ypsilanti, and the groom's brother, Michael Richard Martin of Ann Arbor. Ushers were the groom's friends, William Steve Dixon of Ypsilanti and Earl Wesley Jackson of Ann Arbor, as well as his cousins John Roger Ashford of Ypsilanti, William James Macklin of St. Louis, Missouri, and LaJuan Frederick Martin of Washington, D.C. The flower girl was Christen Elenore Coleman of Belleville, the Godchild of the groom.

Following a reception at Huron Hills Golf Club House in Ypsilanti, the couple left for a honeymoon in Puerto Vallarta, Mexico. They will reside in Ypsilanti. □

Congratulations

Darius Varner

Congratulations to Darius Varner, who recently graduated from Eastern Michigan University (EMU) with a bachelor of science degree in construction management.

Because Darius selected this field of study, he was enrolled in the College of Technology at EMU. This program gives students a solid foundation in mathematics, science, technology, management, and human relations.

The proud parents of this high achiever are Virgil L. and Pearl Varner of Belleville; Darius is the grandson of Frederick W. and Helen Hay of Romulus and Marie Warner of Lincoln Park. □

Hauter Wins Humanitarian Award

Av-Tech Stress Management Center has announced that owner Todd Hauter was awarded the International Association of Counselors and Therapists (IACT) 1995 Humanitarian Award at the organization's annual meeting.

Hauter received the award in recognition of his activities with the bereavement team of the Taylor office of the Hospice of Southeast Michigan. In his connection with the Hospice, Hauter maintains contact with patients, caregivers, and staff, and refers them to further assistance if necessary.

"Each year, it is my pleasure to present this award to someone who uses their talents to enrich their community," said IACT president Jill LaVelle. "I am especially pleased to be able to present this award to Todd, whose work with the terminally ill enriches us all."

The IACT is an international professional organization of more than 9,000 members. Each year's award winners are nominated by chapter members across the Country and voted on by members of the board of advisors, including Dr. Bernie Siegel,

author of *Love, Medicine, and Miracles*, and John Bradshaw, PBS television personality and founder of Resources for Change, Inc.

The Av-Tech Stress Management Center is a Romulus-based company which specializes in identifying and interpreting stressors as well as teaching stress management techniques. □
